

April 15-17, 1994

**Twenty-Five years ago, sixteen students at V.P.I. united
"in order to secure a closer fellowship among themselves,
and to encourage a greater interest in the study of Architecture."**

**Since that time, another 162 men and women have taken part
in shaping A.P.X. into an organization which promotes creativity,
instills values and creates bonds which last a lifetime.**

**This year, we gather together to celebrate and honor those
individuals who have made these twenty-five years possible.**

**The Active Chapter and Alumni Association of the
Alpha Rho Chi Fraternity
invite and encourage you to participate in this
milestone event in our history.**
