We have a block of rooms reserved---Call the hotel (703) 951-1330 and mention Alpha Rho Chi

Alumni Association Call for Nominations

(with subliminal commentary)

It's that time of year again---time to elect new officers (unemployed architects) with noble ambitions (time on their hands) to lead our Alumni Association (AARP) into the next twenty-five years (the post-post-modern contemporary era). If you, or someone you respect and admire (or not), would be willing to volunteer your time and efforts to helping the MAA this year (lick stamps, seal envelopes), please phone in your nomination to Kim Clark (El Presidente'), at (703) 362-4636. (You'll be glad you did---honest!)

All nominations are due by April ¹⁵~~25~~, 1994. Please note: Only dues-paying members can vote and hold office in the MAA.

Current Board of Directors:	President	Kim Clark
	Vice President	Dave Smith
	Secretary	Phil Buckberg
	Treasurer	Kenny Seeley
	Directors	Yost Conner
		Dan Terrell
		Tom Vitanza

All offices are 'up for grabs', since each of these folks has held board positions for several years (far too long)! And while they've each done a great job, we'd really like to see some new volunteers (any takers?).

MAA Annual Dues are STILL ONLY \$20.00!!!

Please send your dues for 1994 to Metagenes Alumni Association, PO Box 921, Blacksburg VA 24060.

TidBits

Call any one of three female Brothers and ask her if her life will change in the next month (by marriage) or in the next NINE months (can you guess why?)---We hate to spoil the surprise!!!

Obituary Notice

C. Craig Frazier, founding Brother of Metagenes, died on Friday, December 31, 1993, after a long and courageous battle with cancer. Services were held at the Denver Dharmadhatu, a Buddhist meditation center of which he was a founding member. Craig enjoyed a 16-year career as an Architect with the National Park Service. His last two projects were the restoration of the Crater Lake Lodge and historic preservation planning for the Presidio in San Francisco, which were among the largest and most complex preservation projects ever done by the NPS. Condolences may be sent to Craig's wife, Ginny Evans, 2535 York Ave, #104, Vancouver British Columbia, Canada, V6K1E4. Contributions in Craig's memory may be sent to the Denver Dharmadhatu, 718 East 18th Ave, Denver, CO 80203. Thanks to Tom Vitanza for passing along this information.
